I. Students Supervised / Advising

1. Advisor of M.Sc thesis conducting by Masumeh Davodi. Effect of acupressure on psychophysical symptoms and quality of life in menopausal women. , Yasuj University of Medical Sciences .2013-2015.

J. Scientific-Executive Records

- a) Editorial member board of Journal of Child and Adolescent Behavior (international)
- b) Member of Research committee of nursing & midwifery college of HUMS, 2014- present
- c) The member of fertility and infertility research center of HUMS 2013-present.
- d) Reviewer and Member of scientific committee of Education and Counseling in Reproductive Health conference. November 2015. Mashhad. Iran.
- e) Reviewer and Member of scientific committee of Qualitative Research in Health Sciences conference. October 2015. Yasuj. Iran.
- f) Reviewer:
 1. Education and Counseling in Reproductive Health conference
 2. Health and Quality of Life Outcomes Journal (**ISI**)
 3. BJOG Journal (**ISI**)
 4. International Journal of Gynecology and Obstetrics (**ISI**)
 5. Reproductive Health Journal (**ISI**)
 6. Journal of Fertilization: In Vitro, IVF-Worldwide, Reproductive Medicine, Genetics & Stem Cell Biology
 7. Journal of Science and Medicine in Sport
 8. Qom University of medical sciences journal
 9. Knowledge & Health (Journal of the Shahrod University of Medical Sciences)
 10. Gorgan University of medical sciences journal
 11. Zahedan University of medical sciences journal
 12. Hormozgan University of medical sciences journal

K. Honors, Awards and Inventions

1. Best thesis of Tarbiat Modares University (PhD):2014.
2. Best thesis of Tarbiat Modares University (MSC):2011.
3. Winner of the International Journal of Gynecology and Obstetrics “IJGO” Prize Paper Award for the best clinical research (2010-2011)
4. 2th grade in entrance exam of MSC in Iran at 2008.
5. Best student in B. Sc.

L. Professional Memberships

1. Research Advisory Network of the International Confederation of Midwives
2. Iranian society of acupuncture (ISAA)

M. Research Interests

Reproductive health related to polycystic ovarian syndrome using Quantitative/ Qualitative research

N. Cultural & Social Activities

O. Referee

1. Prof. Saeide Ziaei (Tarbiat Modares University)
2. Prof. Anoshirvan Kazamnejad(Tarbiat Modares University)
3. Prof. Ali Montazeri(Iranian Institute for Health Sciences Research, ACECR)
